

Sprayer: **BG Trailer**

Available Models: **BG 600T, BG 800T, and BG 1000T**

The **BG Trailer** series is designed specifically for orchards, nurseries, and vineyards where low horse power and compact tractors are a necessity. The poly tank is constructed from the highest quality material, ensuring impact resistance, UV stabilization, and a long chemical-resistant life. The BG series use A.R. pumps and controls which guarantee low maintenance and cost effective parts. The BG Trailer is a must for the professional grower.

Core Features:

- 164, 212, and 264 Gallon Poly Tank
- A.R. Diaphragm Pump
- VDR 50 Controller
- 28.5" Diameter Fan
- 12 Double Check Valve Nozzles
- Pressure Gauge and Control
- Fresh Water Rinse System
- Recommended Tractor –
35 hp to 40 hp
